From: Chair, Bent/Larsen/Trachtenberg Awards Committee

Subject: **Calls for Nominations: Bent, Larsen, and Trachtenberg Awards -- Due: January 31, 2014**

The Bent, Larsen, Trachtenberg Awards are among the most prestigious awards given to faculty by the University and as such reflect the contributions made by exceptional individuals from the various colleges that make up the University of Hartford. The three Awards are intended to honor full-time University of Hartford faculty members at Commencement each year. Each recipient will receive a University medal and citation, recognition in the Commencement program, as well as an honorarium.

Please take a few minutes on receipt of this memorandum to read all the way through. To be eligible for one of the awards the nominee must be a full-time faculty member who has been awarded tenure or a faculty member on an Extended Temporary Contract who has been through a tenure-like review or a faculty member with a Non-Tenure Track Contract with at least 6 consecutive years of employment. Faculty members who were nominated in previous years may be re-nominated. A new nomination, complete with all supporting up-to-date materials, must be submitted by the due date.

Nominations may come from a Dean, Department Chair, colleagues or self. While it is feasible for a single individual to nominate and organize the necessary supporting materials for a nominee, a small group of individuals who support the same nominee may work together in the collection and presentation of supporting materials. Criteria for each award and a description of requested supporting documents is included, and is also available at the Faculty Senate website <http://uhaweb.hartford.edu/facsenate/>. Officers of the Faculty Senate cannot be nominated for the award while they are serving in office.

Nominators are encouraged to submit a complete set of materials for each nominee. Packets will be submitted to the Committee exactly as they are received. For all awards, letters from nominators should clearly describe the most significant accomplishments of the nominee as related to the specific award criteria.

Nomination forms are attached to this memorandum. All materials for each of the three awards should be hand delivered to the Faculty Senate Office, CC 314 (Attention: B/L/T Committee), **by 4:00 p.m., Friday, January 31, 2014**. Please call the **Faculty Senate Office, x4475**, or email facsenate@hartford.edu if we can be of assistance.
